 SPRING IS NEARLY HERE / THE FRIGHTENED CITY / GUITAR TANGO / WON-  
 DERFUL LAND / FBI / THE SAVAGE / GERONIMO / THEME FOR YOUNG  
 LOVERS / DANCE ON / SHINDIG /  
 ATLANTIS

*Apache / Kon-Tiki / Foot Tapper / Spring Is Nearly Here / The Frightened City / Guitar Tango / Wonderful Land / FBI / The Savage / Geronimo / Theme For Young Lovers / Dance On! / Shindig / Atlantis*

A dull issue, barely Japanese in character at all (though SPRING IS NEARLY HERE is one of the basics in this part of the world). WONDERFUL LAND is the mock-stereo implementation; the stereo version which first appeared in 1990 did not make its way on to Japanese CDs of this decade. The 4-page front insert has three blank pages devoted to expanses of white; no composer credits anywhere.
