

**#02: ALL I DO IS DREAM OF YOU**  
**(Arthur Freed/ Nacio Herb Brown)**  
**1961**

**Cliff sings *All I Do Is Dream Of You* on the 3 November 1963  
'Sunday Night at the London Palladium' show for ATV television.**

Cliff sang this old standard on the 'Me and My Shadows' shows around mid-1961. He recorded the track at EMI's Abbey Road Studios on 4 May 1961 along with three other songs with a 'Dream' theme for inclusion on the EP of the same name released in November that year. **I'LL SEE YOU IN MY DREAMS** was also recorded the same day and featured in the Luxembourg radio shows around the same time. Both tracks are given an unusual jazz arrangement and up-beat tempo.

Cliff recorded *All I Do Is Dream Of You* (along with five other songs, one of which was *Theme For A Dream*) for the BBC radio series 'Saturday Club' which was broadcast on 10 June 1961 and also on 'Parade Of The Pops' on 9 August 1961 and 28 February 1962. He also included this song in his set when he appeared on ATV's 'Sunday Night at the London Palladium' TV show on 3 November 1963, a programme which no longer survives on film. A perfect sound recording does exist however.

The quality of the Luxembourg recording is fairly good and constant throughout without any interference.

MC: one of the pre-pop standards given a Cliff & The Shadows makeover, with Hank on the studio cut making a good job of aping the polished gentility of the dance-band guitarist. On the Luxembourg version the backing is rather more robust and fairly rattles along, with a much harder edge to the solo.
