

#39: ROSALIE (COME BACK TO ME)
(Fats Domino/ Dave Bartholomew)
1962

One of the four superior quality Luxembourg tracks that were released on the 4 CD *Rock'n' Roll Years* Box Set back in 1997, the others being *Forty Days*, *Got A Funny Feeling* and the closing *Me And My Shadows* theme tune complete with Ever Ready sponsor. The song was originally a hit for Fats Domino and this version was recorded by Cliff and The Shadows at the Luxembourg studios during 1962.

MC: another competent rejigging of a Fats Domino song complete this time with a rare cameo from a Shadows piano player, to wit Hank, leaving guitarist Bruce to jolly things along with some energetic strumming.
