

From: *Shadsfax* Issue 50 (2006) 3

**The Shadows
"Golden Star"
Disky SI 903425
Released October 2005 (Holland)**

Apache/ Kon-Tiki/ Foot Tapper [mono]/ Man Of Mystery/ FBI/ The Frightened City/ The Savage/ Wonderful Land (1990 stereo version)/ Guitar Tango/ Atlantis/ Shindig/ The Rise And Fall Of Flingel Bunt/ Don't Make My Baby Blue/ Theme From the Deer Hunter (Cavatina)/ Dance On!/ Sleepwalk

The content of Shadows collections from Disky is mind-numbingly predictable: in the main a clutch of the major singles with something from the "String Of Hits" LP that sold well in Holland. This budget CD in fact is just the July 1998 "Best Of The Shadows" (Disky DC 886862) with new artwork, absorbed into the series of "Golden Star" artists (Glen Campbell, Fats Domino and others).
