See Shadsfax **Issue 32** for a review.

However, collectors may be interested to know that there are two types in circulation, one with the foursome on the front cover all present and correct, one with the image reversed. Even more exciting, the respective picture discs reflect the different stances. And the typeface on one is a fraction paler than it is on the other. On the other hand, sad to say, the tunes on both are the same, in the same order and don't play in reverse. Yes, I know Tony, I really ought to get out more ...
