

ALPHABETICAL INDEX OF SONG-TITLES

This Index refers by item-number to all the titles set out in the 192 main entries of the Annual Surveys for:

- (i) The Shadows (The Drifters) [in upper-case]
and
- (ii) Cliff Richard & The Shadows (The Drifters) [in lower-case]

In addition, titles not released in the UK (or not released anywhere) in the period 1959–1980 are given within boxes. The introductory sections to each year treated in the Surveys, where most of these rarer titles are noted, are referred to thus: “19•• Intr.”.

Titles marked * refer the user to the next Index, where data on alternative versions will be found.

For the purposes of alphabetisation initial Definite and Indefinite Articles are disregarded.
